## The State of the Art in VSA Technology

*Celebrating 12 Years of Innovation including the industry's first fully-automated scoring system (VASIS), the first (and only) Online Training Course and the first to support the latest laptops, netbooks, tablets and touch screens running Windows 10. Save money and upgrade to the best in the industry. Take a look at how VIPRE can fit into your department, agency or firm's updated VSA strategy.*

## VIPRE-Only Exclusive Options

- 1 Best-In-Class Hardware & Software** - VIPRE ships on NEW Windows 10 touch screen laptops, netbooks & tablets.
- 2 Portable Test Results** - Transfer completed voice stress exams anywhere as Portable Document Format (PDF). No special print utility required to view.
- 3 All-Inclusive Exam Report** - Everything prints on one page in an easy-to-read format.
- 4 Bring Your Own Hardware** - In most cases, VIPRE can be installed as Software only.
- 5 Lower Total Operating Cost** - System & Training costs are up to 50% less than major competitors.
- 6 No Restrictive End User License** that LOCKS you into the Vendor.

- 7 VASIS** Accurately Assists in Selecting Proper Exam Format and Score.

## Industry's Best Training Options

**Choose the Online or In-Class Training** that best fits your schedule.

**You're NEVER LOCKED into a VSA Association Membership** to be a Certified Examiner.

**Updated Training & Instruction** provided by Certified Examiners who conduct examinations in active investigations.

**SAVE UP TO 50%** - Our training is **HALF THE COST** of any other major VSA vendor in the industry.

**Cold Call Support and L List provided through IAVSA at NO ADDITIONAL COST.**

**VIPRE Support** is only a phone call away if required.
